winner.

WELCOME!

Thank you for participating in this very special tournament that helps support our current scholarship need of over \$100,000 per year for Y membership and program benefits for so many in the Penquis region that otherwise could not afford it.

This year marks the **21st** anniversary of the AE Robinson Fall Golf Classic.

This important fundraiser originated through the vision and leadership of Bud Prouty, who together with area business leaders and professionals from local golf courses established the golf tournament in 1991.

All proceeds from this tournament will support a range of PR YMCA programs and services as well as membership dues for area youth, families and seniors that otherwise could not afford a YMCA experience. We thank all of our sponsors for contributing to this year's event.

PLAYERS FORM

The entry fee is \$45/person. Single players and teams are invited. Foursomes will be arranged prior to the day of the tournament. Please include name and telephone number for each golfer. For additional players, please attach a second form. Registration due by Friday, September 2, 2011 to allow for proper organization of teams.
